

A close-up photograph of a curved, red and white object, possibly a piece of furniture or a decorative item. The red portion is in the foreground, and the white portion is in the background. The red surface features a white logo consisting of a stylized, wavy shape above the word "SWITCH" in a bold, sans-serif font. Below "SWITCH" is the text "DESIGN BY" in a smaller font, followed by "ninifarina" in a cursive script. A registered trademark symbol (®) is located to the right of "SWITCH". At the bottom of the red section, there are two circular holes, one slightly above and to the left of the other. The lighting is soft, creating a slight shadow on the white surface below the red part.
