SWITCH BOWLING®
DESIGN BY pininfarina

Switch Bowling is a concept based on speed, sports and style. A marriage between sleek Italian Industrial design by Pininfarina and state-of-the-art technology has created a whole new exciting environment for your entertainment. Variety is key to creating an all-encompassing entertainment center, and this is why our facilities include Bowling lanes, Karaoke rooms, Billiard tables and a Gaming Section.

12 Bowling Lanes

From the seating and ball racks to the lanes, large screens, light, music and scoring, Switch Bowling leaves you with a breath-taking experience of fun, excitement and unforgettable moments.

6 Billiard Tables

Qs is the place to meet for a challenging game of billiards. The six top-of-the- line professional billiard tables are designed in industrial light, and set in a modern and warm atmosphere to heighten your experience.

3 Karaoke Rooms

Private soundproof karaoke rooms equipped with the latest karaoke equipment to give you a chance to discover your talents and share them with friends and family.

Dining
